

Beaverswood®

Floor Marking Tape

Our **floor line marking tape** is a durable adhesive floor tape which is quick, easy and more economical to apply, in comparison to paint. Made from premium industrial vinyl material, this tape is ideal for marking out aisles, walkways, and storage locations, as well as highlighting important safety equipment or hazards. Available in a variety of highly visible colours and sizes.

Features and Benefits

- Tough, durable self-adhesive tapes.
- Manufactured from heavy duty, premium industrial quality self-adhesive vinyl.
- Available in 50 mm or 75 mm widths.
- 33 M roll length.
- Highlights hazards or restricted areas.
- Easy to use applicator also available.
- Supports lean workplace organisation and hazard visibility with colour-coded options.
- Leaves a sharp, professional edge with no bleeding, flaking, or chipping.
- Ideal for use in warehouses, factories, and distribution centres.
